Re: Sponsorship Request

Dear Sir or Madam:

My name is Patricia Brower, owner of "Ohio Talent Seekers" Entertainment Agency. I produce a series of branded talent competitions offered to the residents of the State of Ohio. The competitions are similar to that of "America's Got Talent Reality TV series, yet we combine aspects of all TV reality talent shows in our production.

I am writing today to seek your sponsorship to help promote the contestants in the competition. Our competition last about 6 months with 5 live performance shows and live voting and 4 text message/email voting sessions. Our contestants come from all over Ohio. We have created various ways for the acts to promote themselves. One specific way we help the contestant promote themselves is provide them and their fans with a "vote for me" piece of clothing like t-shirts, long sleeve t's, and hoodies.

We are writing to you to ask you to consider buying bulk shirts for our contestants to pass on to the community to assist with getting their name promoted as a performing act that currently wants votes in the competition and also want seeking bookings for their act. With each shirt you buy we will place your company log/tagline on the shirts showing you are a sponsor.

In our sponsor level proposal which is attached, we have given you the links to the contestants and the zip codes they live in, which could help you decide who you would like to sponsor in the competition.

Explaining more about how we operate. We have 4 live filmed shows at a theater and 4 live eliminations until we get to a finalist. The finalists wins the prize of having their expenses paid to attend an audition of any of the reality TV talent shows aired on television; they get a stipend when they travel and they also win \$1000 prize the night of the finale. We provide film documentary of the winner's experience as they travel and get prepared to audition for the reality show and will put online and when the opportunity arises we televise the experience on Ohio Television networks.

If you find this concept appealing and aligning with your car sales goals please telephone me and let me know of your interest.

You may reach me at (614-349-1195). I look forward to hearing from you. Thank you for considering this request. Below, are links to visit our website, social media, and current commercial and infomercial.

Sincerely,
